KARL LEICHTMAN AND ACTIVITY IN  
HUNGARY RELATED TO INQUIRIES  
REGARDING PRINTING EQUIPMENT

When in Moscow, USSR, in the early part of April, 1935, with his [redacted] Karl Leichtman indicated a desire to return to the United States via Budapest, Hungary. Leichtman noted that he had a twofold reason for wanting to go to Hungary, one of which was to see his uncle, J. Peters, a former functionary of the Communist Party (CP), USA, who is now a Hungarian Government official, and secondly to investigate printing equipment currently manufactured and available in Hungary. In order to arrange for such a trip, the CP, USA representative, who was then also in Moscow, took Leichtman to the Hungarian Embassy. The CP, USA representative spoke to the Hungarian Ambassador and outlined to him the reason why Karl Leichtman desired to go to Hungary utilizing the primary basis as the desire of the CP, USA wanting him to look at Hungarian press and printing equipment which the Party could purchase. The Ambassador was friendly to the idea of a visit by Leichtman and agreed to communicate with Budapest in an effort to arrange for Leichtman to come to the country as a representative of the CP, USA. A few days later the Hungarian Government approved the Leichtman visit as an official representative of the CP, USA, and a credential was supplied to him by the CP, USA representative outlining the work he was to carry out while in Hungary.

Around mid-April, 1935, after spending a few days in Leningrad, the Leichtmans departed for Hungary. On arrival in Hungary they were met by representatives of the Hungarian Socialist Workers Party and both he and his wife were treated as official guests of the Hungarian Party. His uncle, J. Peters, was assigned to him as a host and guide for the entire four-day period spent in Hungary. In connection with his stay in Hungary, Leichtman subsequently noted that he had been taken from factory to factory and shown considerable printing equipment as well as printing facilities. He also met with representatives of the Hungarian printing industry and held discussions with them on printing equipment and the availability thereof for export to the United States. After this four-day stay, Leichtman and his wife departed for London where they spent two more days and then returned to the United States on approximately April 24, 1935.

ENCLOSURE

Later Leichtman advised that during the early part of the week of April 25, 1935, he had received a telephone call at Prompt Press in New York City, and that the caller turned out to be one of the heads of the printing industry in Hungary with whom he had spoken while in that country. The caller noted that he was now in the United States as part of a delegation and was here looking at various aspects of the printing industry. Later this individual came to Prompt Press and talked to him. During these latter conversations this Hungarian stated that he was amazed at the American printing industry's productivity. He remarked he was particularly astounded by the productivity of a shop like Prompt Press which is antiquated yet produces twice as much as the best and newest equipped shops in Hungary. This individual suggested to Leichtman that the Party here should carefully think out the problem regarding replacement of its equipment and as to whether it would be to the Party's advantage to secure such equipment abroad or purchase it in the United States.

1935, with [redacted] Hyman, some of [redacted]  
activities and actions almost embarrassed the Russians.  
For one thing she refused to go out and live in one of the  
Moscow villas which the Russians had set aside for the  
various delegations to the March 1 meeting, where they  
could house such people with maximum security. As a result  
of her refusal, the Russians had to change their plans and  
the entire Communist Party (CP), USA delegation then had  
to be housed at the Central Committee Hotel in Moscow. The  
Russians were also embarrassed by her very temperamental  
ways and by the fact that she was a very impatient person  
always pushing for things as well as attention. She also at  
times upset them by her outspoken Negro nationalism which  
was reflected in many of her actions.

DISCUSSIONS CONCERNING PRINTING  
EQUIPMENT WITH REPRESENTATIVES  
OF THE COMMUNIST PARTY  
OF THE SOVIET UNION, APRIL, 1935

On April 12, 1935, a meeting took place at Central Committee, Communist Party of the Soviet Union (CPSU) Office Building, Moscow, USSR, between Boris N. Ponomarev, a Secretary of the Central Committee and Head of the International Department; V. Korianov, Chief Deputy to Ponomarev, and Nikolai V. Mostovets, Head of the North and South American Section, International Department, Central Committee, and a representative of the Communist Party, USA (CP, USA). Ponomarev, acting as spokesman for the CPSU, in essence remarked as follows.

On the question of the printing machine you desire for your Party. This is a very complicated matter - and involves a number of political questions. For one thing we feel it would be hard for your Party to explain how you have such a Soviet printing machine. We feel your Party, if we could arrange such a transaction, would be maligned as agents of the Soviet Union. We feel such a transaction could create numerous difficulties even if all the labels from such equipment were removed and regardless of the number of bills of sale provided.

Some of the questions that might be asked you are why did you buy this machine in Moscow? Why if you had the money did you not buy it in the United States? In addition, there are also some practical questions regarding production of this machine. Now we have many difficulties here - the economic council plans for the production of this machine for all socialist countries. If we should undertake to produce a Linotype of this sort for you, the CP, USA, we will violate our agreement with other socialist countries. Then you must understand that it takes almost a year to produce such a machine and at the least, ten months. If you include delivery this would make a full year. Then these machines are changing and in two to three years it would be outmoded. Then there is a question regarding spare parts. The Canadians already have difficulty and these sometimes arise from lack of very small parts. We think that you should think this question over carefully. Then you must remember we gave your Party money for such purchase of printing equipment. We respectfully ask that the CP, USA leadership carefully give full consideration to this matter.

## NOTE:

Enclosure sets forth information concerning a discussion which took place between Soviet Premier Kosygin and Chinese CP Chairman MAO in Peking, China, during 2/65. CG 5824-S\* obtained this information while in Moscow on a recent Solo mission. On that occasion informant was briefed from the actual transcript containing the verbatim account of the discussion. This verbatim account showed that MAO had exhibited an extremely hostile attitude during the discussion. On 2/12/65, we disseminated information concerning this discussion which was obtained by NY 694-S\* who received only a summary account via coded radio message from Moscow. The summary account obtained by NY 694-S\* conveyed the impression that the discussion was carried out on a somewhat cordial basis.

On 5/13/65, NY 694-S\* was told by ARNOLD JOHNSON, CPUSA Director of Public Relations, that when the latter was at the Soviet Embassy on 5/9/65, attending a reception there, he discussed the matter of "Cross Currents" with "MAKAROFF" (phonetic) (believed to be identical with ALEKSANDR LY. MAKAROV, First Secretary, Soviet Embassy, GRU). MAKAROV, according to JOHNSON, told JOHNSON that he was fully familiar with the "Cross Currents" problem and that to his knowledge the Soviets are in complete agreement with GUS HALL's proposal that the CP assume control of the aforementioned publication. In that connection, MAKAROV stated, a Soviet, then on his way back to the United States from the Soviet Union, by name "BALOKAN" (phonetic) (believed to be identical with ALEKSEI S. BELEKON, assigned to the Press Department at the USSR Embassy) would attend a meeting in New York on Wednesday, 5/12/65, where arrangements would be decided with respect to the CPUSA's assuming control of "Cross Currents." According to MAKAROV, BELEKON would confer in New York with MYRON SHARPE and with whatever person the CP might designate to represent it in the conference.

ARNOLD JOHNSON further advised NY 694-S\* that the above-mentioned conference would not take place on Wednesday, 5/12/65, in that the Soviet BELEKON had not yet arrived in the USA. He stated that as soon as possible after the arrival of BELEKON in the U. S. the meeting would be held.

ARNOLD JOHNSON further stated that, pursuant to CPUSA plans, JEAN KARSAVINA (Bufile 100-411626), who presently is employed by SHARPE at "Cross Currents," would assume control of "Cross Currents" in behalf of the CPUSA and would register as a foreign agent, and act as the Party front in the operation of "Cross Currents." JOHNSON also said that KAREL LEICHTMAN, Manager of "Prompt Press," would be a "key man" in this operation, but "not openly." According to JOHNSON, MYRON SHARPE owes "Prompt Press" \$3,000.00 but MAKAROV told JOHNSON that that would be no problem, in that they (the Soviets) would see to it that SHARPE pays "Prompt Press" this amount before the CPUSA assumes control of "Cross Currents."

JOHNSON stated that there are "some hidden factors" in this transaction about which GUS HALL is not aware, one of which is the fact that JEAN KARSAVINA expects to be paid a salary of \$10,000.00 per year for operating "Cross Currents" in behalf of the Party. JOHNSON informed NY 694-S\* that when JEAN KARSAVINA assumes control of "Cross Currents" she will "edit, publish, translate and proofread" the aforesaid periodical. ARNOLD JOHNSON described JEAN KARSAVINA as a loyal and trusted Party member. He stated that the only possible "flaw" in this transaction will concern the \$10,000.00 which she anticipates she will receive as salary, and about which GUS HALL, at the moment, knows nothing.

ARNOLD JOHNSON further stated that when the conference in New York is held, it will be held at either the office of "Prompt Press" or the office of "Cross Currents" and that JEAN KARSAVINA and KARL LEICHTMAN would "do the talking" for the Party. JOHNSON said also that in the event that KARL LEICHTMAN should not be able to attend the said meeting, JOHNSON himself would join the conference.

NY 694-S\* stated that, according to JOHNSON, in the latter's discussion with MAKAROV, MAKAROV frequently injected the name of a Soviet, which was phonetically "BOGACHEN." JOHNSON did not state in what connection the Soviet's name came into the conversation and NY 694-S\* is of the opinion that in some way or other "BOGACHEN" will have some interest in this conference. (It is believed that "BOGACHEN" is identical with VLADIMIR I. BOGACHEV, First Secretary at the USSR Embassy and a member of GRU.)

The WFO is being advised by separate communication with respect to the interest of the Soviets in the coming conference in New York, mentioned above.

COMMENTS OF  
(FIRST NAME UNKNOWN) CARLISLE,  
ALLEGED GENERAL SECRETARY,  
COMMUNIST PARTY OF PARAGUAY,  
FEBRUARY, 1965

A source, who has furnished reliable information in the past, in mid-May, 1965, advised as follows:

During the latter part of February, 1965, an individual claiming to be the General Secretary of the Communist Party (CP) of Paraguay and who identified himself as (First Name Unknown) Carlisle (phonetic), in essence made the following remarks:

General Alfredo Stroesser, President of Paraguay, is now in the process of attempting to consolidate his dictatorship. He is going to pretend that there exists some democracy in Paraguay and as a result will call some municipal elections for October, 1965. However, the reason he is doing this is to get additional loans and money from the United States. In an effort to form a united front against the Stroesser Government, the CP of Paraguay will unite with the Febrerista Party.

What the CP of Paraguay would like other CPs of Latin America and North America to do at this time is to send letters to the Paraguayan Government demanding the release from prison of Antonio Maidana, the Second Secretary of the CP of Paraguay. Maidana has been in prison for seven years and is dying and the Party would like to get him out.

COMBAT EQUIPMENT IS BEING TRANSPORTED TO NORTH VIETNAM. DELIVERIES ARE MADE IN CLOSE CONTACT WITH NORTH VIETNAM LEADERS WHO THEMSELVES DETERMINE THE SIZE AND TIME DELIVERIES DIFFERENT ARMAMENTS.

ON OUR PART WE ARE TRYING TO SATISFY ALL REQUESTS NORTH VIETNAM FRIENDS.

INDEED OUR HELP TO NORTH VIETNAM DEPEND ON SUCH FACTORS AS REMOTENESS NORTH VIETNAM AND THAT THERE IS NO COMMON BORDER BETWEEN OUR COUNTRIES. CCCPSU AND USSR GOVERNMENT FOLLOWING ASPIRATION TO CONSOLIDATE MARXIST LENINIST UNITY, TO HELP OUR BROTHERS IN TROUBLE, ARE GOING TO CONTINUE TO GIVE ANY KIND HELP TO NORTH VIETNAM.

CCCPSU IS BOUND TO INFORM OUR FRATERNAL PARTIES THAT WE ENCOUNTER CERTAIN DIFFICULTIES CONNECTED WITH POSITION TAKEN BY CHINESE LEADERS.

DESPITE OUR SUGGESTIONS WHICH WE MADE REPEATEDLY CHINESE LEADERS

REFUSED CATEGORICALLY TO COORDINATE OUR ACTIONS IN QUESTION ASSISTANCE TO NORTH VIETNAM.

WHILE ON VISIT IN NORTH VIETNAM, USSR DELEGATION EXPRESSED IDEA ABOUT EXPEDIENCY JOINT STATEMENT BY NORTH VIETNAM, CHINA, USSR AND OTHER MARXIST LENINIST COUNTRIES, WHICH WOULD EXPOSE AGGRESSIVE ACTIONS OF UNITED STATES.

SUCH JOINT STATEMENT CERTAINLY COULD SERVE AS A STRONG WARNING TO USA IMPERIALISM.

IT WOULD SHOW THAT ON THIS SERIOUS QUESTION AS REPULSING AGGRESSION AGAINST NORTH VIETNAMESE PEOPLE, MARXIST LENINIST COUNTRIES, INCLUDING USSR AND CHINA, ARE UNITED.

NORTH VIETNAM FRIENDS WELCOMED THIS IDEA POINTING OUT THAT THEY THEMSELVES HAD THOUGHT ABOUT DESIRABILITY OF SUCH ACTION.

THEY PREPARED AND ON FEBRUARY TWO TWO TRANSFERRED TO USSR THEIR DRAFT JOINT STATEMENT BUT THEY SAID THAT FIRST OF ALL THEY WOULD LIKE TO FIND OUT OPINIONS USSR AND CHINA ON THIS DRAFT AND THEN TO CONSULT WITH OTHER MARXIST LENINIST COUNTRIES.

WE EXAMINED THIS DRAFT AND INFORMED NORTH VIETNAM THAT WE ACCEPTED  
END PAGE FIVE

PAGE SIX /NY 100-134637/

IT AND WERE READY TO SIGN IT.

IN SOME DAYS NORTH VIETNAM FRIENDS INFORMED US ABOUT CHINA-S RE-  
FUSAL. CHINESE LEADERS INFORMED THAT AS ALL MARXIST LENINIST COUNTRIES  
ALREADY MADE OFFICIAL STATEMENTS TO SUPPORT NORTH VIETNAM THERE IS NO  
NECESSITY IN JOINT STATEMENT.

AS RESULT SUCH IMPORTANT ACTION AS JOINT STATEMENT BY ALL MARXIST  
LENINIST COUNTRIES INCLUDING CHINA IN SUPPORT OF NORTH VIETNAM PEOPLE  
WAS NOT CARRIED OUT.

WE MET WITH SAME OPPOSITION ON PART CHINESE  
LEADERS WHILE WE WERE SHIPPING USSR ARMAMENTS TO NORTH VIETNAM.

PART ARMAMENTS FOR AIR DEFENSE NORTH VIETNAM CITIES WAS TO BE SENT  
DUE TO WISHES NORTH VIETNAM FRIENDS BY AIR.

IN THIS CONNECTION CCCPSU AND USSR GOVERNMENT ON FEBRUARY TWO FIVE  
REQUESTED CHINESE GOVERNMENT TO LET SOME USSR TRANSPORT PLANES FLY OVER  
CHINESE TERRITORY.

AS ANSWER WE RECEIVED NOTE FROM CHINESE MINISTRY FOREIGN AFFAIRS  
IN WHICH THEY STRONGLY REFUSED TO ACCEPT USSR PROPOSAL.

TRYING TO JUSTIFY THEIR POSITION CHINESE FRIENDS MADE AN ALLEGATION  
END PAGE SIX

PAGE SEVEN /NY 100-134637/

THAT USSR BY GIVING ASSISTANCE TO NORTH VIETNAM AND SUGGESTING TO SEND PART ARMAMENTS BY TRANSPORT PLANES OVER CHINESE TERRITORY IS TRYING TO ESTABLISH "USSR CONTROL OVER CHINESE AND NORTH VIETNAMESE TERRITORY."

IT GOES WITHOUT SAYING THAT THIS ARGUMENT IS FALSE FROM VERY BEGINNING TO VERY END.

INSOFAR AS CHINESE AUTHORITIES GAVE NO PERMISSION TO TRANSPORT ARMAMENTS BY AIR, USSR ORGANIZATIONS HAD TO SEND MILITARY CARGOES BY RAIL AND THAT, CONSIDERING DISTANCE BETWEEN USSR AND NORTH VIETNAM, TAKES MUCH MORE TIME. IT IS CLEAR FOR EVERYBODY THAT IF USSR WAR MATERIALS WERE DELIVERED AT FASTER PACE NORTH VIETNAM PEOPLE WOULD HAVE SUFFERED FEWER LOSSES.

ON APRIL THREE CCCPSU AND USSR GOVERNMENT AFTER HAVING TAKEN INTO CONSIDERATION FURTHER AGGRAVATION SITUATION AROUND NORTH VIETNAM, SENT PROPOSAL TO THE CENTRAL COMMITTEE OF THE CHINESE CP AND THE CHINESE GOVERNMENT AS WELL AS TO NORTH VIETNAMESE FRIENDS TO CONVENE CONFERENCE, AT ANY PLACE, DELEGATES /FROM/ NORTH VIETNAM, CHINA AND USSR AT HIGHEST LEVEL IN ORDER TO HAVE MUTUAL DISCUSSION OF FURTHER MEASURES TO BE TAKEN TO GUARANTEE NORTH VIETNAM SECURITY.

END PAGE SEVEN

PAGE EIGHT /NY 100-134637/

ANSWER WE RECEIVED FROM CHINESE FRIENDS ON APRIL ONE TWO WAS NEGATIVE. THEY DO NOT PUT FORWARD ANY CONVINCING ARGUMENTS AGAINST OUR PROPOSAL AND SAY THAT AS FAR AS ASSISTANCE TO NORTH VIETNAM IS CONCERNED OUR TWO COUNTRIES, THAT IS USSR AND CHINA CAN COME TO AN AGREEMENT WITH NORTH VIETNAM SEPARATELY.

QUESTION ASSISTANCE TO NORTH VIETNAM AS IS SAID IN ANSWER CP OF CHINA AND CHINESE GOVERNMENT "SHOULD BE DISCUSSED BY USSR AND NORTH VIETNAM AT A BILATERAL CONFERENCE AND WE FIND NO REASON IN TAKING PART IN IT." WHILE REFUSING JOINT DISCUSSION MEASURES TO ASSIST NORTH VIETNAM, CHINESE LEADERSHIP TRY TO IMPEACH CORRESPONDING USSR MEASURES IN THIS FIELD.

CHINESE ANSWER ALLEGES THAT "USSISTANCE GIVEN BY USSR UP TILL NOW IS TOO SMALL."

IN LIGHT AFORESAID DATE ABOUT USSR ASSISTANCE TO NORTH VIETNAM WE DO NOT FIND IT NECESSARY TO REFUTE HERE THIS IRRESPONSIBLE, TO SAY LEAST, ALLEGATION. BY WAY NEITHER DURING DISCUSSIONS WITH USSR DELEGATION IN CHINA NOR AT ANY LATER STAGE DID CHINESE LEADERSHIP SAY A WORD ABOUT KIND ASSISTANCE THEY ARE GIVING TO NORTH VIETNAM AND SOUTH

VIETNAM STRUGGLE. UP TILL NOW WE KNOW VERY LITTLE ABOUT SUCH ASSISTANCE AND HAVE NO INFORMATION AS TO HOW CHINESE LEADERS INTEND TO ACT IN FUTURE.

WHILE CHINESE LEADERS REFUSED TO TAKE PART IN JOINT CONFERENCE,  
CENTRAL COMMITTEE OF NORTH VIETNAMESE PARTY AND NORTH VIETNAMESE GOVERN-

CONFERENCE WHICH TOOK PLACE APRIL ONE ZERO TO ONE SEVEN AS AN IMPORTANT  
STEP TOWARD FURTHER COORDINATION OF USSR AND NORTH VIETNAMESE POSITIONS  
IN STRUGGLE AGAINST UNITED STATES IMPERIALIST AGGRESSION AS NEW REAL  
CONTRIBUTION TO STRENGTHEN FURTHER DEFENSE NORTH VIETNAM AND ASSISTANCE  
TO SOUTH VIETNAM.

AS IS KNOWN FROM CONFERENCE COMMUNIQUE NORTH VIETNAMESE FRIENDS  
EXPRESSED THEIR GRATITUDE TO USSR FOR EXTENSIVE FRATERNAL INTERNATIONAL  
ASSISTANCE AND SUPPORT.

THIS AID AND SUPPORT ACCORDING TO NORTH VIETNAMESE FRIENDS HELPS  
GREATLY NORTH VIETNAMESE PEOPLE IN THEIR STRUGGLE AGAINST UNITED STATES  
IMPERIALIST BARBAROUS AGGRESSION IN SOUTH VIETNAM.

DURING CONFERENCE, CCCPSU AND USSR GOVERNMENT AS IN PAST CONSIDERED  
END PAGE NINE

PAG TEN /NY 100-134637/

POSITIVELY NEW CONCRETE REQUESTS NORTH VIETNAMESE FRIENDS CONCERNING  
SUPPLY ARMS AND ECONOMIC AID.

IT GOES UNQUESTIONABLY THAT CONFERENCE RESULTS WOULD BE MUCH MORE  
EFFECTIVE IF IT COULD HAVE BEEN POSSIBLE DURING CONFERENCE TO COORDINATE  
NOT ONLY POSITIONS OUR TWO COUNTRIES, BUT TO HAVE CHINA AS PARTICIPANT.

AS IN PAST WE THINK THAT CONFERENCE NORTH VIETNAM, CHINA AND USSR  
DELEGATES COULD DEMONSTRATE TO WHOLE /WORLD/ UNITY AND SOLIDARITY OUR  
PEOPLES IN STRUGGLE AGAINST UNITED STATES IMPERIALISM AND WOULD SHOW  
THEIR DETERMINATION TO UNDERTAKE COLLECTIVE MEASURES TO BRIDLE AGGRES-  
SOR AND TO COOL PASSION UNITED STATES MILITARY CLIQUE.

THAT IS WHY IN REPLY TO LETTER CHINESE LEADERS LAST APRIL ONE TWO,  
CCCPSU AND USSR GOVERNMENT COULD NOT HELP BUT SAY OPENLY THAT IN THIS  
SITUATION REFUSAL CHINESE LEADERS TO PARTICIPATE IN JOINT ACTIONS TO  
HELP NORTH VIETNAM, THE DELIBERATE DEMONSTRATION BEFORE IMPERIALISM  
THEIR PARTICULAR POSITION, THEIR DESIRE TO BROADEN DIFFERENCES WITH  
CPSU AND OTHER FRATERNAL PARTIES OBJECTIVELY ENCOURAGES AGGRESSORS.

DURING CONFERENCE IN MOSCOW ON APRIL ONE ZERO TO ONE SEVEN NORTH  
VIETNAMESE FRIENDS DECLARED THAT IN THEIR OPINION CONFERENCE DELEGATES

THEY SAID THAT CENTRAL COMMITTEE NORTH VIETNAM PARTY HAD APPROVED USSR SUGGESTION ABOUT THREE PARTY CONFERENCE AND HAD INFORMED CHINESE LEADERS THEIR OPINION ABOUT THE NECESSITY OF HOLDING SUCH A CONFERENCE.

CENTRAL COMMITTEE, CHINESE PARTY HOWEVER DID NOT AGREE WITH OPINION OF CENTRAL COMMITTEE NORTH VIETNAMESE PARTY MOTIVATING ITS REFUSAL FROM THREE PARTY CONFERENCE BY REFERENCES TO DIFFERENCES BETWEEN CPSU AND CHINESE PARTY.

TAKING INTO ACCOUNT OPINION NORTH VIETNAMESE FRIENDS ABOUT DESIRABILITY OF HOLDING THREE PARTY CONFERENCE, CCCPSU AND USSR GOVERNMENT ON APRIL ONE SEVEN SENT LETTER TO CENTRAL COMMITTEE CHINESE PARTY AND TO CHINESE GOVERNMENT IN WHICH WE AGAIN CONFIRMED OUR POSITION REGARDING NECESSITY COORDINATION EFFORTS TO ASSIST NORTH VIETNAMESE PEOPLE.

IN THIS LETTER WE CALL ON CHINESE FRIENDS ONCE AGAIN TO WEIGH ALL THE SERIOUSNESS SITUATION PREVAILING IN NORTH VIETNAM AND SOUTH VIETNAM AND THEIR NEIGHBORS AND TO TAKE PATH CLOSE COOPERATION IN STRUGGLE

Set forth below is the full text of this letter from KASHTAN together with the source's comments which appear in parentheses.

May 11th. 1965.

Dear M:

Thanks very much for your note and enclosure (content of Hall's statement dealing with "Peoples boycott of goods and products made in USA" as means of ending "U.S. imperialist aggression in Indo-China" - see New York airtel 4/8/65) which we read with a great deal of interest. There is a useful thought there and we will give it consideration. Also read your item on the recent 19 affair (Statement of CP, USA on consultative meeting of 19 CPs, Moscow, USSR, 3/1/65). Perhaps you have seen ours by now.

Haven't heard from Norm (Freed) for about two weeks. The last note said he was on his way to a Spa and I presume he is still there. The medical people had advised me when in P (Prague, Czechoslovakia) that he would need a few months rest. Will be writing him again soon and inquire how the treatment is panning out.

Have you heard further regarding the Montevideo affair? Dates and so on. We thought it might be possible for someone to visit from one of the neighboring areas.

I imagine you lads are up to your necks arising from recent developments (Dominican Republic). I imagine too that there must be some thinking on the underlying factors motivating this abrupt and sharp turn on the part of the administration. Certainly it was unexpected in many quarters. Any views you have on the above would be appreciated.

All the best to everyone and regards to your good wife.

as ever,

The following was supplied by sources which have furnished reliable information in the past.

James Edward Jackson is the editor of "The Worker," east coast communist newspaper, and a member of the National Board of the Communist Party, USA (CPUSA). He was a member of the CPUSA delegation to the March 1 through March 5, 1965, consultative meeting of communist parties in Moscow, Russia, on the matter of unity in the world communist movement.

After the meeting Jackson expressed a desire to travel to Bulgaria and Africa at the expense of the Communist Party of the Soviet Union (CPSU). Representatives of the CPSU, with whom Jackson discussed these requests, were not too responsive because of the cost of the trips and certain hard-currency problems being experienced by the Government of the Soviet Union. After much discussion Jackson was given a weekend trip to Bulgaria with all expenses paid.

Upon his return from Bulgaria Jackson renewed his request for a trip to Africa. Representatives of the CPSU argued strongly against this trip. They pointed out that Claude Lightfoot, Vice Chairman of the CPUSA, had recently completed a trip to Africa at the expense of the CPSU and

that little of value had been received. When Jackson continued to press this matter, the CPSU reluctantly agreed to finance this trip as a reward for his pro-Soviet speech during the March 1 through March 5, 1965, meeting which had received considerable favorable comment from other fraternal parties.

Jackson spent eight to ten days in Ghana. His trip was described as a "waste of time" and it was stated he accomplished very little for the CPSU. Jackson did report to the Soviets that Shirley Graham DuBois, an American citizen residing in Ghana, is actively working for the "Chinese," possibly with the connivance of President Kwame Nkrumah of Ghana.

In early March, 1965, leading members of the Communist Party of Brazil (CPB) briefed representatives of another fraternal party on the current status of the CPB. The essence of this briefing is as follows:

In the past the CPB saw only the peaceful road to socialism. Now the need to consider the "armed path" is also recognized. Party organization, which had been a weak point in the past, has improved. The recent land-law reforms are being used by the CPB as a basis to carry out discussions with the peasants on how to use the law and how to organize to get a better law.

Although the CPB and its "gross" are illegal, the CPB is growing stronger and recruiting is increasing. The "Chinese" have considerable influence in the "Sergeant's organization in the Army" and among students. The "Chinese" hinder the CPB's efforts to develop a united front. However, the "Chinese" have little influence among the working class.

The CPB has some members at work in legal movements, such as youth and women's activities. However, there are five members of the National Committee of the CPB and about one hundred rank-and-file members in jail.

Contrary to published reports that he has been replaced, Luis Carlos Prestes remains the Secretary General of the CPB.

In April, 1965, the CPB had forces which might have been able to prevent the military coup which deposed ex-President Joao Goulart; however, these forces were not organized. The mistakes of the CPB which permitted the coup to be successful were a lack of class identity and the placing of too much trust in leading politicians like Goulart.

The Soviet Union is seriously considering not renewing the contract with the United States firm which is currently printing the publication, "Soviet Life," formerly known as "USSR Magazine," published by the Soviet Embassy in the United States. This magazine is published under reciprocal agreements between the Governments of the United States and the Soviet Union. These agreements provide for the publication and circulation of the magazine, "Soviet Life," in the United States and the magazine, "America," in the Soviet Union.

The Soviet Union, instead of publishing "Soviet Life" in the United States, plans to publish it in the Soviet Union and then have it shipped to the United States for circulation. This action is being planned by the Soviet Union in an effort to save "United States dollars" because of the continuing shortage of hard currency in the Soviet Union.

### COMMUNIST PARTY OF CANADA

The following information, supplied by sources which have furnished reliable information in the past, is being brought to your attention as a matter of possible interest.

#### Communist Party, USA - Communist Party of Canada Training School

Preliminary discussions have been held recently between representatives of the Communist Party, USA, and the Communist Party of Canada relative to a joint training school to be held in Canada in 1965. There will be additional discussions on this matter when Norman Freed, Canadian Communist Party representative to the "World Marxist Review," official theoretical organ of the international communist movement, returns to Canada during the Summer of 1965.

As of March, 1965, it was tentatively decided that this training school will have a three-month course of study with the opening session to commence in either September or October, 1965. Courses currently being considered will include philosophy, political economy and history of the international labor movement. There will also be special lectures dealing with problems relating specifically to the United States and to Canada. There will be one comrade from the Communist Party, USA, on the school's staff.

As of March, 1965, a total enrollment of twenty was being considered for this school, consisting of ten students from each Party. All expenses of the students will be taken care of while they are enrolled. Consideration is being given to furnishing married students a \$50-a-week subsidy to provide for their families.

COMMUNIST PARTY OF CANADA

No attempt will be made to arrange any elaborate cover for this school in Canada. The Canadian Communist Party will acknowledge the school and the fact that it is being held. It will be described as a "Canadian Marxist school" and the school will be located in a "normal place" in order to avoid arousing excessive curiosity. However, the fact will not become known generally that there is participation in this school by representatives of the Communist Party, USA. All financial arrangements for the school are being worked out by the Communist Party of Canada with representatives of the Communist Party of the Soviet Union. The size of the budget being presented to the Communist Party of the Soviet Union for this school is not known at this time.

Norman Freed will head this school and will be responsible for maintaining its ideological standards. Freed will meet with a representative of the Communist Party, USA, who most likely will be Hyman Lumer, National Educational Secretary of the Communist Party, USA, relative to working out arrangements for the school. The meeting between these two individuals will take place after Freed returns to Canada.

William Kashtan, General Secretary, Communist Party of Canada

In mid-March, 1965, William Kashtan, General Secretary, Communist Party of Canada, traveled to Prague, Czechoslovakia, to participate in a symposium sponsored by the "World Marxist Review." When Kashtan arrived in Prague on approximately March 15, 1965, he was in an extremely bad mood. This mood resulted from the fact that Kashtan felt that the Communist Party of the Soviet Union had been attempting to interfere in the affairs of the Canadian Communist Party. This interference in the Communist Party of Canada's affairs to which Kashtan referred reportedly, in part, had to do with the efforts of the Soviets to influence Tim Buck, Chairman, Communist Party of Canada, against Kashtan at the time Kashtan had been elected to take over the position of General Secretary. In addition, there was some indication that the Communist Party of the Soviet Union held the opinion that the Communist Party of Canada under Kashtan's leadership had fallen into the hands of "revisionists." Kashtan indicated that in his opinion the Soviet Communist Party was still "living in the past" regarding such matters and he intended to make it clear to the Soviets that he alone was the boss of the Canadian Communist Party.

### COMMUNIST PARTY OF CANADA

The Communist Party of the Soviet Union immediately became aware of Kashtan's mood upon his arrival in Prague and, in an effort to rectify the situation, immediately dispatched some leading Soviet Communist Party officials from Moscow, Russia, to Prague. Among these Soviet officials sent to Prague was one Gregory (last name unknown), the head of the British Commonwealth Section of the International Department, Central Committee, Communist Party of the Soviet Union, under which relations with Great Britain, Canada and other commonwealth nation communist parties are handled. The Soviet officials held special meetings with Kashtan, arranged banquets for him and held special parties both during and after the completion of the "World Marxist Review" symposium. However, the actions of the Soviets during the course of the symposium apparently had little effect upon Kashtan because the position Kashtan took in his remarks to the symposium was "not good on the main role of the communist parties in capitalist countries."

After the conclusion of the symposium, Norman Freed remarked that Kashtan was neither a "revisionist nor a liquidationist." While Kashtan was angry, he indicated he would not stray from the correct line of the international communist movement if the Communist Party of the Soviet Union would fully recognize him as the leader of the Canadian Communist Party. According to Norman Freed, Kashtan merely wanted the Soviet Communist Party to know that he heads the Canadian Communist Party and once the Soviets acknowledged this, Kashtan would be satisfied.

### Communist Party of Canada - Printing Equipment

In mid-April, 1965, it was learned that the Socialist Unity Party of Germany had reached an agreement with the Communist Party of Canada for the purchase by the latter of some new printing equipment to be shipped to Canada. This new printing equipment that the Communist Party of Canada will secure is a "demonstration model" which had been used at the recent Leipzig Trade Fair. The Communist Party of Canada received a "very good deal" in obtaining this printing equipment. Arrangements have been made for the Canadian Communist Party to pay a small cash amount as a down payment and the remainder of the cost will be handled by the Communist Party of Canada in connection with printing work it will

do for the East German Government. The printing that the Canadian Communist Party will do for the East German Government will be in the English language and much of the material will be sent to East Germany after it is printed. The Socialist Unity Party of Germany has estimated the value of the printing equipment being furnished the Canadian Communist Party as being worth "many thousands of dollars."

Norman Freed, an Official of the Communist Party of Canada

Norman Freed is a member of the Central Committee, Communist Party of Canada, and the current representative of the Canadian Communist Party to the "World Marxist Review." Several months ago Freed suffered a severe heart attack. He is still hospitalized and receiving treatment at the Francisco Rozna Sanatorium in Prague, Czechoslovakia. His confinement will continue through the latter part of May, 1965. When finally released from the sanatorium, Freed will be sent on a month's vacation in Czechoslovakia and then during the latter part of June, 1965, he will join William Kashtan on a trip to Moscow, Russia. After the trip to Moscow, Freed may return permanently to Canada.

On 5/19/65, NY 694-S\* advised that on that date he gave HELEN WINTER \$25,000. of SOLO money, which she, as Chairman of the CPUSA Reserve Fund Committee, will maintain under her control pursuant to arrangements made with GUS HALL whereby WINTER ultimately will be the custodian of approximately \$200,000. in CPUSA Reserve Funds. The purpose of this arrangement, according to WINTER, is to relieve GUS HALL of the burden of determining how much money should be allotted to the CPUSA National Office operations.

HELEN WINTER, according to NY 694-S\*, stated that she is scheduled to go to Chicago on May 26, 1965, to discuss this matter with CG 5824-S\*. She also stated that while in the Midwest, at that time, she will go to Detroit where very likely she will leave \$15,000. of the above-mentioned \$25,000. with a "depository" in Detroit. Also, according to WINTER, she was giving \$10,000. of the aforementioned \$25,000. to LENA SCHERER, member of the CPUSA Finance Committee, to hold as custodian for WINTER. NY 694-S\* requests that the Chicago Office advise CG 5824-S\* of WINTER's scheduled visit to Chicago to confer with him, and especially of the fact that she will have with her the \$15,000. which she indicates she may leave with a depository in Detroit.

*Germany*

A source, who has furnished reliable information in the past, in mid-May, 1965, advised as follows:

Stefan Heym, a famous author in the German Democratic Republic (GDR), who for a time during World War II resided in Chicago, Illinois, and then after the war returned to the GDR, is presently under attack by officials of both the GDR and the Socialist Unity Party of Germany (SUPG). Heym is being attacked because he was supposed to have written a "slanderous" article on the GDR which appeared in the West German press. While these officials did succeed in getting him to answer some of the "slanders" in his article, he did it as an individual and not in defense of the GDR or the Party. Another famous GDR author, Anna Seegahr, who also at one time had been in the United States, has now attacked Heym personally. Her attack on him was based totally on a defense of the general policies of the GDR. In addition to the above, Heym is also being attacked on a personal basis because he has now divorced Gertrude Gelband, the woman to whom he was married when he returned to the GDR, and is presently living with another woman.

COMMENTS OF COMMUNIST PARTY  
OF CZECHOSLOVAKIA REPRESENTATIVES  
DEALING WITH INNER PARTY STRUGGLES

In mid-May, 1965, a source, who has furnished reliable information in the past, advised as follows:

In April, 1965, several representatives of the Communist Party (CP) of Czechoslovakia provided the following information without prejudicial comment and apparently with the idea in mind that this information could not be hidden from public view forever and sooner or later would come to general attention. These remarks were as follows:

The CP youth in Czechoslovakia through their youth magazines, particularly those magazines published in Slovakia, have recently been attacking the CP of Czechoslovakia. In general, these youth publications are demanding that the CP of Czechoslovakia go further in connection with the de-Stalinization program. In addition, the Slovakian youth in their magazine are calling for a greater role of the Slovakia Party membership in the CP of Czechoslovakia.

In addition there is also a fight between the Czech and the Slovak sections of the CP of Czechoslovakia on the question of Party democracy, liberalization of the press, and rehabilitation of Vladimir Clementis, who together with Rudolf Slansky and nine others were executed in 1952 on charges of high treason. The Slovaks are now openly demanding that it is not enough merely to rehabilitate Clementis but that they want him also restored to a position as a patriot of the republic.
